

## SUMMER SCHOOL

The following is the schedule that will be used to educate, teach and entertain your children during their summer.

### **PRESCHOOL AND KINDERGARTEN AGE:**

#### **Spanish**

This is the main focus of our school. Kids will be exposed to Spanish language at all time while in here. However, there will be certain periods of the day when they are going to be working on vocabulary, pronunciation and culture. Each week will have a theme like animals, food, clothing, professions and sports, toys, etc.

#### **Art and Crafts**

Children will be led to work on their own projects and creations according to their own creativity. They will also be guided to crafts previously planned by us. All supplies such as paint, glue, papers, wood sticks, different textures materials, etc, will be provided.

#### **Outdoor Games/Sports**

Children love young men's care and attention. All this year they got to know and love Niky and enjoy the time he spends playing with them. Niky will be encharged of this program that includes games like: musical chairs, hot potato, freeze dance, etc. We also have Hispanic world popular games that even you adults would like to play. They will practice also soccer, basketball and volleyball.

#### **Dance and Singing**

Children will be exposed to popular dances of Mexico, Peru, Colombia and other Latin Countries only, including salsa dance. Also all songs taught will be in Spanish only.
